The office of the Auditor-General is taking part in the 2024 Eenhana Expo.

The event, which started on July 29, 2024, attracted various entities and individuals who came together to celebrate culture, innovation, and progress. The Office of the Auditor-General saw this as an opportunity to demonstrate their commitment to transparency, accountability, and good governance to a wider audience.

Throughout this week-long event, the office of the Auditor-General will exhibit information regarding their role in auditing government institutions and ensuring effective management of public funds. Visitors are intrigued by the office's work, which includes a highlight of successful audits that have brought positive changes in various sectors.

Representatives from the Auditor-General's office continue to engage with attendees, explaining the importance of their work in promoting financial accountability and uncovering irregularities that could be harmful to public trust. They also aim to educate the public on the impact of audits on society and the economy.

Their presence at the 2024 Eenhana Expo will not only increase awareness about their critical role but also inspire other public entities to prioritize accountability and integrity in their operations. The expo will conclude on 4 August 2024.
