# REPORT OF THE AUDITOR-GENERAL ON THE ACCOUNTS OF THE REGIONAL COUNCIL OF THE KHOMAS REGION FOR THE FINANCIAL YEAR ENDED 31 MARCH 2016

#### 1. Report on the Financial Statements

#### 1.1 INTRODUCTION

The accounts of the Khomas Regional Council for the financial year ended 31 March 2016 are being reported on in accordance with provisions set out in the Regional Council Act, 1992 (Act 22 of 1992).

Figures in the report are rounded to the nearest Namibia dollar and deficits are indicated in (brackets).

I certify that I have audited the accompanying financial statements of the Khomas Regional Council for the financial year ended 31 March 2016. These financial statements comprise of the following:

Annexure A: Balance sheet Annexure B: Income statement Annexure C: Cash flow statement

Annexure D: Notes to the financial statements

The financial statements were submitted by the Accounting Officer to the Auditor-General in compliance with Section 40(1) of the Regional Council Act, 1992.

The financial statements, and general information provided by the Accounting Officer are attached as Annexure A-D.

# 2. MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Section 39 of the Regional Council Act, 1992 and relevant legislation, and for such internal control as management deemed it necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### 3. AUDITOR'S RESPONSIBILITY

My responsibility is to express an opinion on these financial statements based on the audit. I conducted the audit in accordance with International Standards for Supreme Audit Institutions (ISSAIs). These standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

#### Powers and duties

Section 25(1) (c) of the State Finance Act, 1991, provides that the Auditor-General should satisfy himself that:

- (a) All reasonable precautions have been taken to ensure that all monies due to the State are collected, and that the laws relating to the collection of such monies have been complied with:
- (b) All reasonable precautions have been taken to safeguard the receipt, custody and issue of and accounting for, the State's assets, such as stores, equipment, securities and movable goods; and
- (c) The expenditure has taken place under proper authority and is supported by adequate vouchers or other proof.

In addition, Section 26(1) (b) (iv) of the State Finance Act, 1991, empowers the Auditor-General to investigate and report on the economy, efficiency and effectiveness of the use of the State's resources.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for the audit opinion.

#### 4. ACKNOWLEGMENT

The assistance and co-operation given by the management and staff of the Regional Council during the audit is appreciated.

#### 5. KEY AUDIT FINDINGS

#### 5.1 5 % Assesment Rates & Taxes income

The Council did not submit supporting documents to validate the amount of N\$ 4688 566 disclosed in the Financial Statements.

#### Recommendation

It is recommended that the Council provide all the necessary supporting documentation required for auditing purposes.

#### 5.2 Bad debts written off

Bad debts amounting to N\$ 1 121 815.89 were written off without the necessary approval.

#### Recommendation

It is recommended that the Council should ensure that approval is obtained before writing off debts.

#### **Management Comments**

The Council agrees with the findings and in future will ensure that a Council resolution is taken for bad debts to be written off.

#### 5.3 Value Added Tax

A difference of N\$ 844 806 was noted between the VAT amount disclosed in the financial statement and the Auditors VAT Recalculated Balance. Furthermore, VAT returns were not submitted on time.

#### Recommendation

The Council should ensure that proper reconciliation is performed and VAT returns are submitted on time to avoid interest and penalties.

#### **Management Comment**

The Council verified the difference of N\$ 844 806 and discovered that it is a non-allowable VAT, which was processed to the VAT control account. This amount could not be reversed as the Council awaits audits to be carried out by the Receiver of Revenue in order to clear off the balances and do reconciliations in the VAT control account.

#### 5.4 Property, Plant and Equipment

A difference of N\$ 842 762 was observed between the financial statements and the fixed assets register, resulting in the understatement of the financial statements.

#### Recommendation

It is recommended that the Council should reconcile the asset register and the financial statements to avoid misstatements.

#### **Management Comments**

The Council is in agreement with a difference of N\$ 842 762 found and will ensure that the difference between the annual financial statement and fixed asset register is reconciled and cleared during the 2016/2017 financial year.

#### 5.5 Park food income

It was noted that prior year income to the value of N\$ 415 277 was recorded as current year income, instead of receivable.

#### Recommendation

The Council should ensure that revenue and receivables are recognised in the correct period.

#### **Management Comment**

The Council is in agreement and will ensure that accounts receivables are recognised as such in the respective period they are incurred in future.

# 6. BASIS OF QUALIFIED AUDIT OPINION

- Non-submission of supporting documents amounting to N\$ 4 688 566 relating to assessment rates income;
- Bad debts amounting to N\$ 1 121 816 written off without approval;
- A difference of N\$ 874 162 between Financial Statement and Fixed Asset Register;
- A difference of N\$ 844 806 related to VAT receivable;
- Misstatement of revenue and accounts receivable amounting to N\$ 415 277; and

#### 7. QUALIFIED AUDIT OPINION

The accounts of the Khomas Regional Council for the financial year ended 31 March 2016 have been audited in terms of Section 40(1) of the Regional Council Act, 1992 (Act 22 of 1992).

In my opinion, except for the significance of the matter discussed in the Basis of Qualified Audit Opinion paragraph, the financial statements present fairly, in all material respect of the financial position of Khomas Regional Council as at 31 March 2016, and their financial performance and cash flows for the year then ended.

#### 1. ACCOUNTING POLICIES

The annual financial statements are prepared under the historical cost convention. The following accounting policies are consistent, in all respect, with those of the previous year:

- 1.1 The annual financial statements are prepared in line with the accrual concept. It should be noted, however, that income and expenditure in relation to Delegated Functions is accounted for during the year on a cash accounting concept in line with the State Finance Act, 1992. However, since all liability in relation to Delegated Functions remains with the relevant Line Ministry and all unexpected Delegated Funds are returned to the State Account as at 31 March, this does not materially affect the Regional Council's Financial Statements.
- 1.2 All Fixed Assets are stated at historical cost less Accumulated Depreciation. Depreciation is calculated using the straight line method to write off the cost of each asset over the estimated useful life as follows:

Buildings	50 years	2 % pa
Machinery and Equipment	5 years	20 % pa
Motor vehicles Office Furniture and	5 years	20 % pa
Equipment	3 years	33.33 % pa
Computer equipment	3 years	33.33 % pa

#### 7. DELEGATED FUNCTIONS

The Regional Council is currently performing the following functions delegated by Central Government line ministries, as indicated in accordance with the Decentralisation Enabling Act, 2000. Under delegation the Regional Council acts as an agent on behalf of the relevant Line Ministry. The relevant Line Ministry, however, retains overall responsibility for performance of the functions, and also retains the responsibility to approve the related budget. This budget allocation is transferred to the Regional Council via monthly cash transfers. However, any unexpended amount as at 31st March is paid to the State Account, via the related line ministry. For this reason the Income and Expenditure for each delegated function should always net to Nil.
