

REPORT OF THE AUDITOR-GENERAL ON THE ACCOUNTS OF THE

REGIONAL COUNCIL OF THE ZAMBEZI REGION

FOR THE FINANCIAL YEAR ENDED 31 MARCH 2016

Published by authority

Price (Vat excluded) N\$ 30.00 Report no: 77/2019

REPUBLIC OF NAMIBIA

TO THE HONOURABLE SPEAKER OF THE NATIONAL ASSEMBLY

I have the honour to submit herewith my report on the accounts of the Regional Council of the Zambezi Region for the financial year ended 31 March 2016 in terms of Article 127(2) of the Namibian Constitution. The report is transmitted to the Honourable Minister of Finance in terms of Section 27(1) of the State Finance Act 1991 (Act 31 of 1991) to be laid upon the Table of the National Assembly in terms of Section 27 (4) of the Act.

WINDHOEK, June 2019

JUNIAS ETUNA KANDJEKE AUDITOR-GENERAL Joseph -

REPORT OF THE AUDITOR-GENERAL ON THE ACCOUNTS OF THE ZAMBEZI REGIONAL COUNCIL FOR THE FINANCIAL YEAR ENDED 31 MARCH 2016

1. DISCLAIMER OF AUDIT OPINION

The accounts of the Zambezi Regional Council for the financial year ended 31 March 2016 have been audited in terms of section 40 (1) of the Regional Councils Act, 1992 (Act No 22 of 1992) read with sections 25, 26 and 27 of the State Finance Act, (Act 31 of 1991).

Because of the significance of the matters described in the Basis for Disclaimer of audit opinion paragraph, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an opinion. Accordingly, I do not express an opinion of the financials statements of the Zambezi Regional Council as at 31 March 2016.

2. BASIS FOR DISCLAIMER AUDIT OPINION

I conducted my audit in accordance with International Standards for Supreme Audit Institutions. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the entity in accordance with the Code of Ethics for Supreme Audit Institutions together with the ethical requirements that are relevant to my audit of the financial statements, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics.

I believe that the audit evidence I have obtained is insufficient and inappropriate to provide a basis for my opinion. A disclaimer audit opinion is being expressed due to the following:

- Non-submission of supporting documentation amounting to N\$ 12 842 852;
- Non-disclosure of assessment rates amounting to N\$ 1 040 932;
- Differences between the trial balance and the financial statements for property plant and equipment amounting to N\$ 187 603 678, work in progress amounting to N\$ 124 452 337 and accumulated funds amounting to N\$ 112 691 097;
- Differences between the cash flow and balance sheet for cash and cash equivalents balance amounting to N\$ 9 545 247;
- Non-disclosure of trades and other payables amounting to N\$ 905 423; and
- Non-disclosure of provision of leave in the financial statements.

3. RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Namibia Generally Accepted Accounting practice and legislation, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible of overseeing the entity's financial reporting process.

4. AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue and auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAIs), will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the International Standards for Supreme Audit Institutions, I exercise professional skepticism throughout the audit, I also;

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence, obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to

continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my report. However, future events or conditions may cause the Entity to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit;
- Provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and have communicated with them, all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards;
- From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my report unless law or regulation precludes public disclosure about the matter or, when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

5. REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS (COMPLIANCE)

The financial statements were submitted to the Office of the Auditor-General by the Accounting Officer in compliance with Section 40 (1) of the Regional Council Act 1992, (Act 22 of 1992).

WINDHOEK, June 2019

JUNIAS ETUNA KANDJEKE AUDITOR-GENERAL

1. ACCOUNTING POLICIES

1.1 Presentation of Annual Financial Statements

The annual financial statements are compiled in accordance with the historical cost convention modified by the restatement of the financial instruments to fair value, except where otherwise stated.

The annual financial statements are prepared in line with the accrual concept. It should be noted, however, that income and expenditure in relation to Delegated Functions is accounted for during the year under review on a cash accounting basis, in line with the State Finance Act, 1992; and since all liabilities relating to the Delegated Funds remains with the relevant Ministries and all unexpended Delegated Funds are returned to the State Account, it does not materially affect the Regional Council's financial statements.

The principal accounting policies of the Regional Council, which are set out below, have been consistent and comply with Namibian Statements of Generally Accepted Accounting Practices. The financial statements have been prepared in accordance with the requirements of the Namibian Regional Council's Act.

1.2 Fixed assets and depreciation

Fixed assets are stated at cost or at valuation where assets have been acquired by grant or donation, less depreciation written off over the expected useful lives as determined by the Regional Council from time to time. Fixed assets acquired with loan funds are not depreciated until the loan is repaid, unless the expected lifetime of the asset is less than the repayment period of the loan in which case depreciation is calculated on the shortfall.

The estimated useful economic lives for each category of asset are as follows:

Buildings 50 years
Machinery and Equipment 5 years
Motor vehicles 5 years

Office furniture and equipment 3 years-5 years

Computer equipment 3 years

Land and infrastructure assets are not depreciated.

Where the carrying amount of an asset is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount.

Gains and losses on disposal of property, plant and equipment are determined by reference to their carrying amount and are taken into account in determining operating profit.

ZAMBEZI REGIONAL COUNCIL

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016 (Continued)

1. ACCOUNTING POLICIES (Continued)

1.1 Inventories

Inventories are measured at lower cost and net realizable value. The cost of inventories should comprise all cost of purchases, cost of conversion and other cost incurred in bringing the inventories to their present location and condition.

1.2 Trade receivables

Trade receivables are carried at anticipated realizable value. An estimate is made for doubtful receivables based on a review of all outstanding amounts at year-end. Bad debts are written off during the year in which they are identified.

1.3 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand and demand deposits and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value. These are initially and subsequently recorded at fair value.

2. REVENUE

2.1 Contributions, Grants and Financial Aid from MRLGH & RD

The Zambezi Regional Council receives administrative grants from the Ministry of Regional and Local Government, Housing and Rural Development. These grants are for the day-to-day operations of the Regional Council.

2.2 Rates Levies from Local Authorities

The Zambezi Regional Council as per Regional Councils' Act of 1992, levies an amount equal to 5% of the rates levied on all ratable property in constituent local authority areas.

2.3 Royalties and surcharges

The Zambezi Regional Council receives royalties in respect of surcharges levied on its behalf by NORED. These rates are based on approved tariffs by the Electricity Control Board and may vary from time to time.

2016 2015
2010 2013

3. DELEGATED FUNDS

When under delegation, the Regional Council only acts as an agent for a particular line Ministry, while the latter retains full control and overall responsibility to approve the related budget. After approval, the approved budget is transferred to the Regional Council via cash tranches.
