AUDITOR-GENERAL**

**REPORT OF THE AUDITOR-GENERAL ON THE ACCOUNTS OF THE  
THE MUNICIPALITY OF TSUMEB  
FOR THE FINANCIAL YEAR ENDED 30 JUNE 2014**

---

**1. INTRODUCTION**

The accounts of the Municipality of Tsumeb for the year ended 30 June 2014 are being reported on in accordance with the provisions set out in the State Finance Act, 1991 (Act 31 of 1991) and the Local Authorities Act, 1992 (Act 23 of 1992).

The firm PKF of Windhoek has been appointed in terms of Section 26(2) of the State Finance Act, 1991, to audit the accounts of the Municipality on behalf of the Auditor-General and under his supervision.

Figures in the report are rounded off to the nearest Namibia Dollar. Deficits are indicated in (brackets).

**2. FINANCIAL STATEMENTS**

The Municipality's financial statements were submitted to the Auditor-General by the Accounting Officer, in compliance with Section 87(1) of the Local Authorities Act, 1992. The audited financial statements are in agreement with the general ledger and are filed in the Office of the Auditor-General. The abridged balance sheet at Annexure A is a true reflection of the original signed by the accounting officer.

The financial statements also include:

Annexure B: Abridged income statement;  
Annexure C: Cash flow statement; and  
Annexure D: Notes to the financial statements.

**3. SCOPE OF THE AUDIT**

**Management's responsibility for the financial statements**

The Accounting Officer of the Municipality is responsible for the preparation and fair presentation of these financial statements and for ensuring the regularity of the financial transactions. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

**Auditor's responsibility**

It is the responsibility of the Auditor-General to form an independent opinion, based on the audit, on those statements and on the regularity of the financial transactions included in them and to report his opinion to the National Assembly. The said firm conducted the audit in accordance with International Standards on Auditing. Those standards require that the firm complies with ethical requirements, plan

and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide an audit opinion.

#### **4. KEY AUDIT FINDINGS**

Items that were also reported in the previous financial year are indicated by way of an asterisk (\*).

##### **4.1 Collection of debts (\*)**

Outstanding services debts remained high at year-end. This has a negative impact on the Municipality's cash flow position. Trade receivables decreased with N\$ 1 765 301 in 2014. Due to the fact that an amount of N\$ 7 536 229 was written off.

##### **4.2 Bad and doubtful debts (\*)**

The Municipality provided for bad debts of N\$ 36 797 377. The provision for bad debts was reduced from N\$ 44 333 606 by a write-off of N\$ 7 536 229 against debtors. However, the auditors' calculation revealed that the provision is understated by N\$ 42 546 543. The total provision should be N\$ 79 343 920.

##### **4.3 Cash flow position (\*)**

The Municipality is facing a cash flow problem as indicated by the temporary advances to revenue from other funds and accounts amounting to N\$ 36 516 100 (2013: N\$ 46 621 607) at year-end. External loan redemptions and interest amounting to N\$ 20 678 526 (2013: N\$ 19 031 969) are in arrears. Council is in arrears by N\$ 2 199 190 (2013: N\$ 1 742 823) with the Regional Council fees.

Salaries, wages and allowances for 2014 amounted to 50.2% of revenue (2013 - 47.7%) and the pressure on cash flow may threaten the regular payments for human resource services.

##### **4.4 VAT differences**

The VAT differences with the Receiver of Revenue have been written off and paid where applicable and the correct amount is now reflected in the financial statements.

## 5. ACKNOWLEDGEMENT
