JUNIAS ETUNA KANDJEKE AUDITOR-GENERAL

WINDHOEK, November 2016

REPORT OF THE AUDITOR-GENERAL ON THE ACCOUNTS OF THE TOWN COUNCIL OF OPUWO FOR THE FINANCIAL YEAR ENDED 30 JUNE 2015

1. REPORT ON THE FINANCIAL STATEMENTS

1.1 INTRODUCTION

The accounts of the Town Council of Opuwo for the year ended 30 June 2015 are being reported on in accordance with the provisions set out in Section 85 of the Local Authorities Act, 1992 (Act 23 of 1992).

The firm Taziwa Consulting of Windhoek has been appointed in terms of Section 26 (2) of the State Finance Act, 1991, to audit the accounts of the Town Council on behalf of the Auditor - General and under his supervision.

Figures in the report are rounded to the nearest Namibia dollar. Deficits are indicated in (brackets).

I certify that I have audited the accompanying financial statements of Opuwo Town Council for the financial year ended 30 June 2015. These financial statements comprise of the following:

Annexure A: Balance Sheet;

Annexure B: Abridged Income Statement;

Annexure C: Cash Flow Statement;

Annexure D: Notes to the Financial Statements;

The Town Council's financial statements were submitted to the Auditor-General by the Accounting Officer in compliance with Section 87 (1) of the Local Authorities Act, 1992.

The financial statements, notes to the financial statements and general information provided by the Accounting Officer are attached as: A-D.

2. MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Section 86 of the Local Authorities Act1992, (Act 23 of 1992) and relevant legislation, and for such internal control as management determines it necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

3. AUDITOR'S RESPONSIBILITY

My responsibility is to express an opinion on these financial statements based on the audit. I conducted the audit in accordance with International Standards for Supreme Audit Institutions (ISSAIs). These standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Powers and duties

Section 25(1) (c) of the State Finance Act, 1991, provides that the Auditor-General should satisfy himself that:

- (a) All reasonable precautions have been taken to ensure that all monies due to the State are collected, and that the laws relating to the collection of such monies have been complied with;
- (b) All reasonable precautions have been taken to safeguard the receipt, custody and issue of and accounting for, the State's assets, such as stores, equipment, securities and movable goods; and
- (c) The expenditure has taken place under proper authority and is supported by adequate vouchers or other proof.

In addition, Section 26(1) (b) (iv) of the State Finance Act, 1991, empowers the Auditor-General to investigate and report on the economy, efficiency and effectiveness of the use of the State's resources.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is insufficient and inappropriate to provide a basis for the audit opinion.

4. ACKNOWLEDGEMENT

The assistance and co-operation given by the management and staff of the Town Council during the audit is appreciated.

5. KEY AUDIT FINDINGS

Items that were also reported in the previous financial year are indicated by way of an asterisk (*).

A loan receivable to the value of N\$ 167 000 was expensed although the Town Council expected the funds to be paid back.

5.10 Inventory (*)

No inventories for store materials are reflected in the financial statements of the Council. The auditors were unable to calculate the estimated value on hand at 30 June 2015 of inventory due to poor record keeping at the Town Council.

5.11 Customer deposits (*)

There were no consumer deposits disclosed in the financial statements and also no indication that consumers pay deposits. There was also no sufficient evidence to indicate which consumer paid their water deposits.
