The Office of the Auditor-General Namibia participated in the 2024 InterSAI games, held in Gaborone, Botswana.

The 3-day event, which started on September 4th and concluded on September 7th, brought together professionals from different Supreme Audit Institutions in southern African countries who are dedicated to serving the public with integrity, transparency, and accountability.

The event which was celebrated under the theme "SAI REFORM POST COVID" included presentations by different SAIs on topics on public auditing post covid-19, sports activities, and traditional dances. Participating SAIs included SAI Eswathini, SAI Lesotho, SAI Namibia, and the hosting nation, SAI Botswana. This event offers professionals a platform to share insights and reinforce the values of integrity and accountability in public service.

The Office of the Auditor-General Namibia's participation in the InterSai event demonstrated its commitment to promoting unity and collaboration among supreme audit institutions. By fostering camaraderie and a shared purpose, the InterSai games contribute to the advancement of excellence within the auditing community.
