RE: CONDUCTING OF AN EXTERNAL STAKEHOLDER SURVEY

The Office the Auditor-General through its five years strategic plan as aligned to NDP5 and Harambee Prosperity Plan will embark on an External Stakeholder Survey. This survey will be able to conclude on the institutional effectiveness of the OAG as the Supreme Audit Institution (SAI) of Namibia in executing its audit mandate in a way that resonates with its vision and mission statement as well as how key stakeholders perceive the institution. The purpose of the survey is to assess the level of stakeholder satisfaction with the Office of the Auditor-General's core function, whilst enhancing the public knowledge on the Office of the Auditor-General's mandate.

Given the current predicaments of the Covid 19 pandemic, the office will embark on this endeavour electronically, via Google Forms by involving its stakeholders: Public Accounts Committee PAC (National Assembly-NA & National Council-NC), Auditees: Offices, Ministries, Agencies (O/M/As), Regional Councils, Local Authorities, Statutory and Legally Assigned Bodies; General Public and Institutions of Higher Learning, Professionals, Field experts. The principles of anonymity and confidentiality of your responses is assured. The information collected will be used to formulate strategies and improved measures to advance the impact and value of the oversight function on public financial management.

The focal respondents are the Executive Directors, Finance Department (S&T and Creditors/ Salaries), Internal Audit, Auxiliary services, Stock Control Points, and the Human Resource Department. More respondents might be required, to provide feedback concerning Performance & Environmental audits where applicable.

The survey is anticipated to be conducted for the period 01 August - 31 October 2021 and the link will be shared accordingly.

We would highly appreciate if you kindly notify all your respective Directorates and Divisions.

Yours in good governance.

.....
MR. G. MENETTE
DEPUTY AUDITOR GENERAL
